This is the What You See In The Mirror Worksheet. This worksheet uses art therapy techniques to have the client represent what he or she sees and interprets when reflecting on the self. A great deal can be learned by seeing what picture a client draws when prompted to draw what he or she sees within themselves. And that information can be telling for both the therapist and the client.

Barbara Klein, Ph.D., Ed.D., is an author and psychologist who has done extensive research on the development of twin identity. Her research on the twin attachment informs other issues such as the...
